AND EMPLOYMENT COMPANY MOVES TO 1516 E. 18TH ST.

MARCH 20.

Kansas City's oldest and best es tablished Negro real estate and em ployment firm has been doing business near Tenth and McGee streets for the past twelve years and has built up the largest business of its kind West of the Mississippi river. When this com pany opened business the majority of Negroes in Kansas City lived in alleys, over barns, in basements and shacks By the guarantee plan originated by Mr. Fortune J. Weaver, the president and general manager, a house was pur chased here and another rented there in desirable locations. This opened the way for others and by gradually adding to their holdings Negroes now own many modern homes in choice districts, many of them along the park and boulevard system.

Protection for Home Buyers. Some of the reasons that this cor poration has succeeded in gaining the onfidence of the Negroes of Kansas City: First, because when they rent or buy from the Afro-American they are kept employed so they can meet their obligations; second, when this mortgage comes due the Afro-American sees to it that their mortgage is extended or renewed.
